Carline Map—North Campus

Please enter the parking lot in single file and follow the flow of traffic. The first cars into the lot will move around the building as indicated and line up single file on the west side of the middle median. All cars to follow will line up as indicated. No cars will proceed out of the loading area until all cars are loaded and a staff member has directed traffic to move. **Please pay close attention to the carline staff at all times.** You must display your carline number on your visor or hanging from your rearview mirror in order to pick up students. Please remember that there is no parking in any areas of the parking lot to come into the building during carline times. Please see the Student/Parent Handbook for further information.
